Subject Bristol Bay Watershed Assessment - rescheduling the
meeting for intergovernmental group

All - We are in the process of re-scheduling the Bristol Bay Watershed Assessment Meeting and are currently looking at either the week of August 8 or the week of August 15. We are also checking with the EPA Bristol Bay technical team and the Tribal representatives on these potential dates and will pick a time when we can get the most people together. Please respond to this email and let me know if you have schedule conflicts that would prevent your participation during one of those weeks. Thank you.

Sheila M. Eckman
